

Exemplar: Build and test your first chatbot

Here is an exemplar of the framework for the Be Well Spa and Fitness Center Opening Hours chatbot in the Chatbot Design window.

From Figure 1 to Figure 4, each component in the flow, along with its configuration, details, and required parameters for each stage, is clearly displayed.

FIGURE 1: Opening Hours, Ask a Question Box

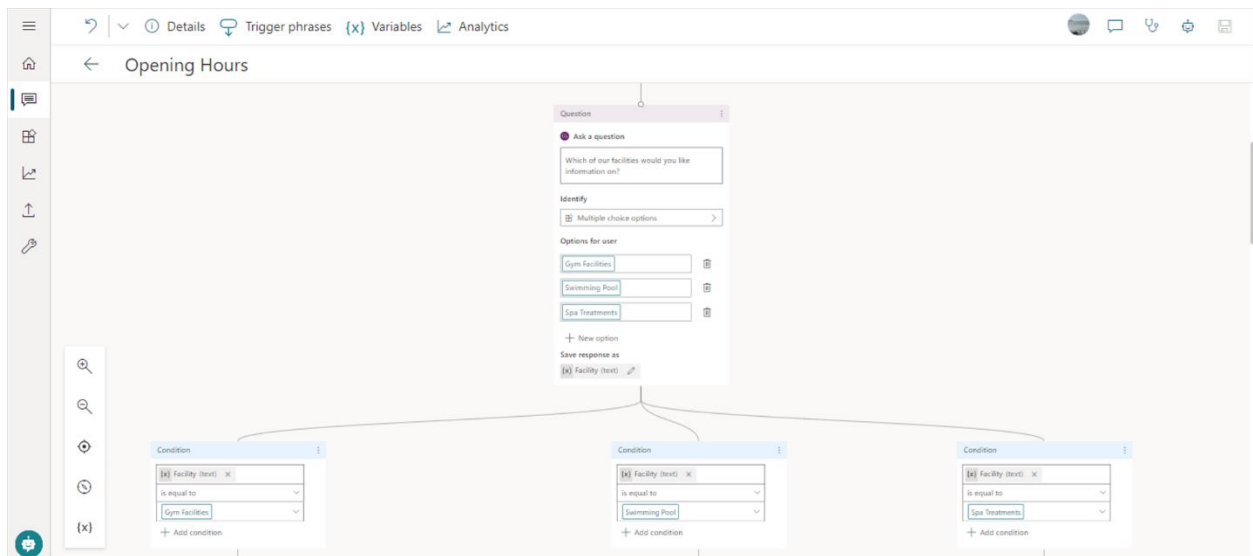

FIGURE 2: Condition Boxes, Branching Paths after User Response

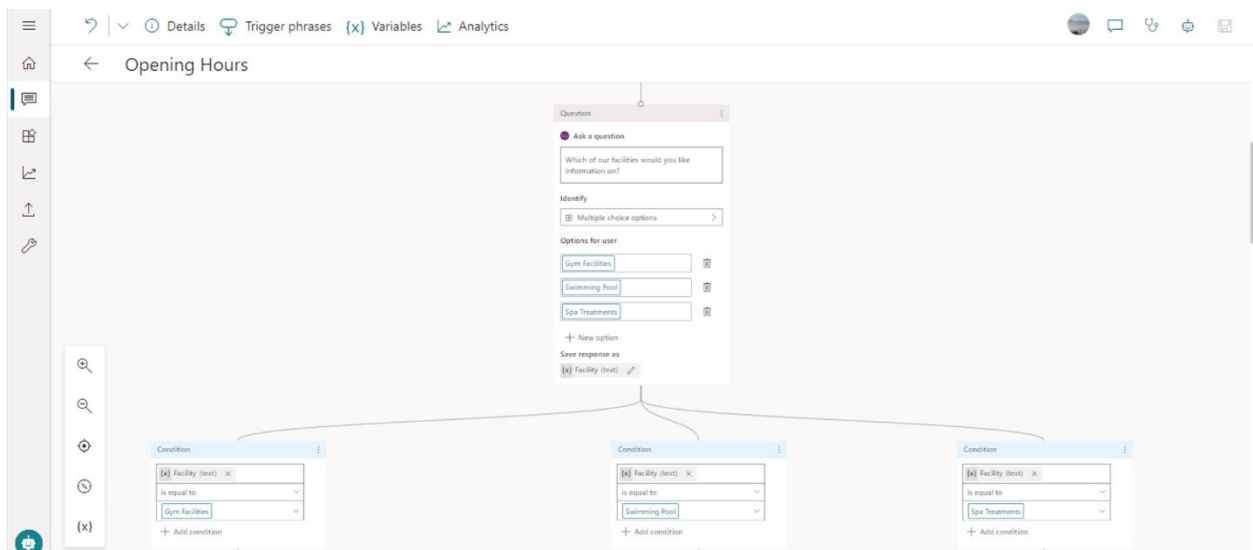

FIGURE 3: Message Chatbot Reply, Customized Response Paths

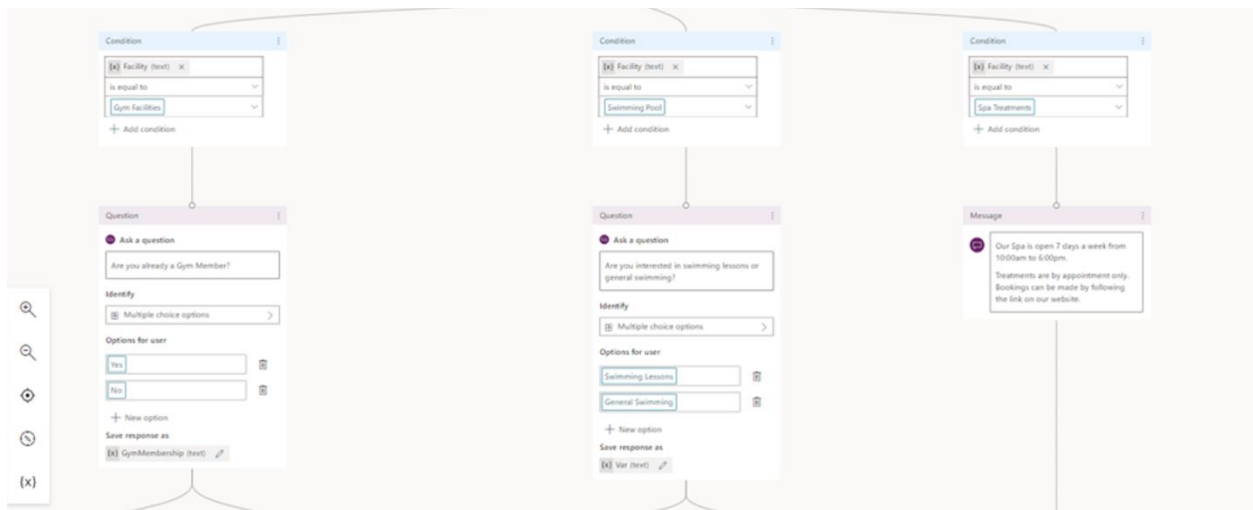

FIGURE 4: Ending the Chat, Terminating all Conversation Paths
